Invite You

To attend a Presentation on “Modern Approach to Parasite Control in Horses”.

See equine parasites with your own eyes and learn why we say “goodbye” to rotational deworming schedules.

**ISLAND
EQUINE**

VETERINARY SERVICES

Dr. Pat Food

SPEAKER

Dr. Ela Misuno
Vetoquinol N.A. INC.

Dr. Misuno obtained her veterinary degree in Poland, following which she moved to Denmark to pursue a career as an equine veterinarian. She later took the opportunity to enroll in a residency program in Large Animal Internal Medicine at the University of Saskatchewan. She completed Master’s Degree in the field of equine parasitology. Currently she is enjoying her work with Vetoquinol as an equine technical service veterinarian for Canada.
